APPLICATION

7. Your Online Application (“Application”) must be made <http://www.asa.hku.hk/admissions/tpg> by **Monday, 30 April 2012**. Late applications will not be accepted.

8. Applicants in their final year of study may apply before their results are known but must inform the PCLL Admissions Office of all their degree results by the Transcript Deadline Date [see paragraph 11 below].

9. Applicants (including graduates who hold the degree of LL.B. at this University) must arrange to send to the PCLL Admissions Office not later than the Transcript Deadline Date, a transcript of their academic record showing all the subjects taken for their degree in law and whether they have passed each subject and/or result slips of all Conversion Examinations you have passed and/or the official letters of exemption.

10. The PCLL Admissions Office may also ask individual applicants to send copies of regulations, syllabuses and such other documents as may be needed to check their eligibility and suitability for admission. If so requested, the applicants will be responsible for supplying the required materials, without which, their applications will not be considered further.

11. All examination results, final transcripts and other documents required must reach the PCLL Admissions Office by close of office on the following Transcript Deadline Dates:

- candidates attending the final year of the University of London External LL.B. program - by Friday, 17 August 2012;
- all other candidates - by Friday, 10 August 2012.

Applicants should, however, endeavour to provide all examination results, interim and final transcripts as soon as they have them. The University aims to make a decision on PCLL Applications as soon as possible. Any failure by an Applicant to provide all the necessary documentation as soon as possible may result in a delay in this decision or even the rejection of the Application. In any event, applicants must inform the PCLL Admissions Office if there are any difficulties in meeting this Transcript Deadline Date; otherwise applications which are still incomplete by that time will be rejected due to incomplete documentation.

12. The University will only **ACCEPT** originals or copies of the documents that have been duly declared as true copies before a notary public, or a Commissioner for Oaths at a City District Office in Hong Kong. **You may also bring the originals of the documents together with an additional set of their photocopies for verification (*only if you have already submitted your PCLL Online Application)** at the PCLL Admissions Office, 4/F., K.K. Leung Building, The University of Hong Kong, Pokfulam Road, Hong Kong during office hours 9:30 a.m. - 5:30 p.m. (Monday to Friday).

Copies of documents may be certified by the appropriate officials of your home institution if you are an overseas applicant. **No photocopies will be accepted.**

All application forms and supporting documents submitted are non-returnable. If your application is unsuccessful, all documents will be destroyed after the admission period.

ADMISSION CRITERIA

13. Selection for the PCLL will be carried out by the Admissions Office in accordance with the criteria laid down by the Admissions Committee of the PCLL Academic Board (which comprises representatives of the Judiciary and two branches of the legal profession) and the Board of the Faculty of Law.

14. PCLL admission is primarily based on academic achievement in the first degree in law or CPE examinations or other diploma course or graduate programmes recognized as being equivalent to the CPE examinations. Generally speaking, candidates admitted to PCLL need to attain a minimum of high 2.2 in their law degrees (or equivalent). From our past experience, we believe the limited number of government-funded places will be taken up by those candidates who have obtained a first class honour or upper second class (2:1) honour in an LL.B. programme or distinction or commendation in the Common Professional Examination (or equivalent) results. However, we have observed a rapid increase in the number of applicants attaining 2:1 in their law degrees in the past few years. We cannot guarantee that all applicants attaining upper second class (2:1) honours in their law degrees will be offered (full-time) places. We shall not take upper second class (2:1) honours degrees at their face value but shall take into account the grades/marks obtained in individual law subjects.

15. Please note that interviews are not mandatory for all applicants. We anticipate interviewing applicants only in exceptional circumstances.

OFFERS OF ADMISSION

16. Offers of admission may be made to eligible applicants at any time after the application deadline in May 2012. These offers of admission will lapse on the date specified in the offer letters and may be subject to conditions. Applicants who will be absent from Hong Kong after submission of their applications should therefore arrange for their correspondence with this University to be dealt with on their behalf.

DOUBLE REGISTRATION

17. University regulations prohibit concurrent registration by a student of this University for another post-secondary qualification, either at this University or at another institution, unless approval of the University's Senate has been obtained **in advance**. Moreover, as the PCLL is a very demanding programme, the Head of Department will not normally support requests for approval to be registered on another programme. A candidate in breach of this regulation may be required to discontinue his/her studies at this University.

18. If you are presently enrolled in a programme leading to a post-secondary qualification which will not be completed by August 2012, you should disclose this on your application and state whether it is your intention to seek permission to be double registered.
